Career Objective

An enthusiastic and detail-oriented Junior Frontend Developer with proficient knowledge in HTML and CSS, as well as third-party libraries such as jQuery and React. Seeking to utilize my technical skills and expertise to provide value to the employer and contribute to successful projects both today and in the future. Aiming to take on new challenges and utilize my coding and debugging skills for developing new features and enhance the overall user experience.

Work Experience

Freelance Web Developer

- 📅 Nov 2023 – current 📍 Turda, Cluj Romania
- I am a web developer passionate about creating modern, user-focused web applications and websites. Driven by a commitment to continuous learning.
 - I have developed strong skills in React, JavaScript, WordPress, and web design, and I apply this knowledge to real-world projects as a freelancer from my home office.
 - My experience spans building interactive interfaces, optimizing performance, and developing responsive designs that provide an exceptional user experience. I am always eager to deepen my expertise, explore the latest web technologies, and take on new challenges that allow me to bring creative solutions to the digital world.
